

# HAVE A BIKE OR SCOOTER? YOU DESERVE SAFETY.

## Why Change is Needed:

- Cities with protected lanes see 50% fewer injuries
- 10% less road traffic
- Dedicated lanes improve traffic flow and efficiency
- Micromobility reduces CO2 emissions by 40%

## Our Solution:

- Physically protected bike lanes to improve rider safety
- Clearer, safer design
  - Eliminates confusing merges
  - Prevents cars from parking in bike lanes
- Average transit time reduced by 15%
